Illinois Manufacturers' Association Education Initiative

## Count Me In!

I would like to be counted among manufacturers willing to provide worthwhile Internships to students obtaining skills for careers in manufacturing and Externships to help faculty at my local school(s) assure quality instruction\*. I am offering to partner with my local schools create a pipeline of workers for today's advanced manufacturing environment.

\*This form is only for the purpose of gauging interest in providing Internships and Externships as defined under the Manufacturers Education Initiative. All Internships and/or Externships are subject to negotiations between your company and the individual school seeking the Internship / Externship. You must be satisfied with the conditions before you are bound to any agreement you choose to make. Generally Internships pay minimum wage.
